ADA Compliance

Tri City Glass & Door specializes in doors that are compliant with ADA requirements. For new construction or existing buildings, we can find, install and service the product that meets your needs.

To keep you in business, we offer after-hours services.

What if your door breaks?
What if there's a theft?
When there's weather damage, who do you call? We are one of the only commercial vendors in Northeast Wisconsin offering 24/7/365 emergency board-up services to quickly and expertly secure your business and property. Call **800-449-8081** for service.

The Right Product. The Right Way.

Tri City Glass & Door represents products using the latest technology in building automation.

- ▲ Sophisticated all-glass entrances that are elegant as well as secure.
- ▲ Swinging doors, balanced doors, swing clear doors, doors that require a 180-degree swing, revolving doors, sliding glass doors, ICU doors and more.
- ▲ Glass doors with or without tracks in a variety of panel designs for use in healthcare environments.
- ▲ We feature automatic door applications for commercial buildings, schools, healthcare facilities, manufacturing environments, retail facilities, professional services offices, restaurants and many more applications.

your global partner for entrance solutions

Installing Confidence.

Businesses keep their doors open when they trust their service needs to Tri City Glass & Door.

- ▲ **Reliability:** From standard commercial construction to customized exteriors and interiors, our estimators and project managers will deliver the products to keep your project on time and budget, every time.
- ▲ **Service:** Preventive maintenance allows us to stay on top of small repairs so they don't turn into large ones. We have a variety of installation and service contracts to repair and replace existing doors.

Installing Quality.

Tri City goes beyond the products to manage all phases of automatic door selection and installation.

- ▲ **Training:** Our team members participate in ongoing training and we employ service crews that are specially trained in servicing all makes of automatic doors.
- ▲ **Value:** Your value is in our expertise. Almost 50 years in business means our techs have specific experience in a variety of commercial applications. When your door is installed right the first time, it means you're in business faster and continue to serve your customers.

"We are very satisfied with our new entrance system from Tri City Glass & Door. The installation went very smoothly without disrupting our retail customers. The doors perform safely and reliably."
